ABOUT US

Madan Mohan Malaviya University of Technology, Gorakhpur (a U.P. State Government University) has been established by Uttar Pradesh Government vide Act No. 22 of 2013 on December 1, 2013 after reconstituting Madan Mohan Malaviya Engineering College, Gorakhpur which was established in 1962.

OUR VISION

To facilitate and promote studies, research, technology, incubation, product innovation and extension work in Science, Technology and Management Education and also to achieve excellence in higher technical education.

MISSION

- To serve society as a center of higher learning, providing long-term societal benefits through transmitting advanced knowledge, discovering new knowledge and functioning as an active working repository of organized knowledge.
- To take leadership role by providing need based programmes in engineering and technology, applied science, management, humanities, architecture, pharmacy, retail and fashion design, mass- communication, agriculture and other employable courses in emerging areas.
- To promote compassionate care of the highest quality that translates new knowledge into meaningful improvements in technological outcomes through interdisciplinary collaboration, fiscal responsibility, support of diversity, and focus on quality.
- To develop the culture of professionalism, to establish value based networks and foster relationship with other leading institutes of higher learning and research, alumni and industries in order to provide significant contribution to national and international development.
- To create an intellectually stimulating infrastructure and conducive environment for technology, research, scholarship, creativity, innovation, entrepreneurship and professional activity for service to community and economy.

MESSAGE FROM VICE CHANCELLOR

Madan Mohan Malaviya University of Technology (MMMUT), Gorakhpur has grown to become the national flagship of U.P state Government, known for the excellence of its teaching to the national and international communities. MMMUT has been strategically created (established in 2013) on the legacy of success presented by Madan Mohan Malaviya Engineering College Gorakhpur (established in 1962 by Government of U.P.) towards providing cutting edge learning technology, internationally benchmarked education and critical research opportunities in frontier areas of contemporary concern. The University has more than 4000 students of whom 3000 are undergraduate students in seven B.Tech Programmes, i.e., Civil Engineering, Electrical Engineering, Mechanical Engineering, Electronics & Communication Engineering, Computer Science & Engineering, Information Technology & Chemical Engineering along with B.B.A., M.B.A., M.C.A. & MSc. (Physics, Chemistry & Mathematics). University is running M.Tech. in 12 disciplines and full/part-time Ph.D. program in number of disciplines as part of Quality Improvement Program of MHRD, University fellowships & TEQIP-III project. The confidence posed by the industries for our institute is indicated by the fact that maximum students are placed and are serving in various leading global industries.

Prof. J. P. Pandey
Vice - Chancellor, MMMUT

MESSAGE FROM TRAINING & PLACEMENT OFFICER

Madan Mohan Malaviya University of Technology, Gorakhpur is one of the established university of India. It is my pride and privilege to share few facts about placements as it has always been a vital ingredient for endorsing students' potentiality. Also it's always an endeavour for entire academic fraternity to raise the placement bar year on year by imparting essential technical and non-technical techniques to students due to which they become competent to face the industry challenges.

I am also proud to say that MMMUT has faced the challenges successfully. This is possible due to outstanding efforts of the faculty and of the bright students who are selected after a stringent process. Our alumni have achieved tremendous success in all sphere and this bears an eloquent testimony to our efforts. I take pride in cordially inviting you to participate in our endeavour and look forward to welcoming you for the recruitment program.

Prof. Vijay Kumar Dwivedi
Prof. (Training & Placement Cell)

STUDENT ACTIVITIES

Institute of Electrical and Electronics Engineers is the world's largest technical professional organization. Its student branch IEEE SB MMMUT conducts numerous technical workshops, personality development workshops, free UXD skill development classes and of course the Annual TechFest of our college, 'TECHSRIJAN'.

Society of Automotive Engineers MMMUT Chapter is the student branch of SAE India. It is dedicated to the cause of science and technology in automotive field as well as the ventures to promote extensive engineering and fabrication of various innovative solutions of automotive industry.

CodeChef MMMUT Chapter is a student chapter of the global competitive programming community CodeChef, which helps programmers practice in the world of data structures and algorithms. This chapter helps students get proper guidance through various workshops, weekly coding contests and reminders of global coding contests.

STUDENT ACTIVITIES

Developer Student Clubs (DSCs) are an initiative by Google to create technical communities at each University and fuel them with technological mindset and vision to build solutions for a better tomorrow. DSC MMMUT was set up in our college in September 2020, and has facilitated so far Google's Cloud Program, Hacktoberfest, etc.

University Innovation Cell provides a platform for students to learn something innovative, to have a new outlook and to solve real world challenges and to create a technologically developed and healthy world. INNOWIZION, a national level PPT presentation event, is organized by UIC every year to spark creativity among students.

Established in 2014, the Entrepreneurship and Development Cell aims at fostering latent entrepreneurial spirits of students. To accomplish this periodically, guest lectures, expert talks and workshops are frequently organized by the cell. E-Cell also organizes Fresher's Talk every year to interact with freshmen.
